swenex - swiss energy exchange Ltd hereby confirms the purchase of guarantees of origin from the production of renewable energy. Guarantees of origin are cancelled by swenex with the certification body Pronovo AG, accredited in Switzerland for the supervision and management of guarantees of origin. Guarantees of origin can be used for the electricity labelling prescribed by the DETEC Ordinance on Guarantees of Origin and Electricity Labelling (OGEC).

The certificates of origin have the following attributes, among others:

Year of production: 2024
Volumen KWh: 900,000.00

■ Hydro EU
